

Quick-Connect Fittings, Tubing, and Valves

Plastic Adapter

Part No.	NPTF Thread
AD-4PP-3W	1/2"

Ball Valve - Easy Fitting

Part No.	NPTF Thread	Tube O.D.
BV-102	1/4"	1/4"
BV-103	3/8"	3/8"

Ball Valve - Easy Fitting

Part No.	Tube IN	Tube OUT
BV-101	1/4"	1/4"

Ball Valve - Easy Fitting

Part No.	NPTF Thread	Tube O.D.
BV-104	1/4"	1/4"

Pureteck C.C.K.[®] Quick-Connect Fittings, Tubing, and Valves Setting the Standard!

Quick-Connect Fittings, Tubing, and Valves

Pureteck Water Treatment Technologies is the premier manufacturer and supplier of components for residential and commercial reverse osmosis and water filtration systems.

Pureteck C.C.K.[®] Quick-Connect Fittings, Tubing, and Valves Setting the Standard!

Pureteck Water Treatment Technologies is the exclusive distributor for C.C.K.[®] products offering a wide variety of C.C.K.[®] 1/4", 3/8", and 1/2" quick-connect fittings, tubing, and valves. We also distribute C.C.K.[®] Jaco style fittings. Like the many other products we offer, you'll find C.C.K.[®] products to be an outstanding value in quality, performance, and price.

Pureteck C.C.K.[®] Quick-Connect Fittings are designed and manufactured to the highest standards and are excellent choices for use with all standard fittings and POU drinking water systems. Constructed of Polypropylene—an FDA approved material suitable for food contact—**Pureteck C.C.K.[®] Quick-Connect Fittings** incorporate EPDM (Ethylene Propylene Diene Monomer) O-rings and stainless steel gripping teeth in their collets. These polypropylene fittings provide excellent chemical resistance and high tolerance to against oxidizers.

Pureteck C.C.K.[®] Quick-Connect Fittings easily interconnect with tubing and other fittings without the need for special tools or adapters. In most instances, this amounts to a reduction in installation labor by more than 80%.

Pureteck C.C.K.[®] products are tested and certified by NSF International under NSF/ANSI STANDARD 61 for drinking water system components.

Pureteck is your exclusive factory-direct source of C.C.K.[®] products.
